2009 NFCV Children's Vision Forum

How Vision Issues Affect Classroom Outcomes

9:00 a.m. - 12:30 p.m.

September 29, 2009

Quarry Oaks Golf Clubhouse, Ashland

(please note change in venue from last year)

Please RSVP to 402.474.7716 or nfcv@assocoffice.net

Please join us for a round-table discussion on how vision issues are affecting classroom outcomes - and how we can help.

Each year the NFCV hosts a multi-disciplinary approach to understanding the roles of vision in today's classroom and how educators, school administrators, and health care professionals can better assure that students' vision will enable them to fulfill their learning potential.

This year we look forward to hearing your perspective and taking a proactive approach to the issues surrounding children's vision.
