NFCV Silent & Live Auction

**Friday, October 16 (Silent) and Saturday, October 17 (Live)
During the NOA Annual Convention in Kearney, NE**

Why Get Involved?

- Because NFCV is all about leveraging a powerful community to raise a significant amount of money for children's vision.
- Because auctions are a fun way to raise a lot of money. And because raising more money to support children's vision awareness benefits all eye care professionals.
- Because the money we raise will help ensure that all Nebraska children are visually prepared to learn
- Because it's a great way for you to achieve widespread visibility by tapping into an engaged, active community to promote your own products and services.
- All contributors will be recognized in the Onsite Program at the Convention, as well as through emails sent to NOA members, paraoptometrics and vendors promoting our auction.

You can help make the auction happen! Donate an item now!
