

2010 April School Vision Evaluation Tracking

1. April School Vision Evaluation Tracking

The Nebraska Foundation for Children's Vision and the Nebraska Optometric Association are partnering to collect data that will support the need for enhancing Nebraska's current law requiring vision evaluations for students before entering kindergarten in order to assure better quality exams and better compliance.

We need your help to collect this data. Please enter your data below for the school vision exams you have conducted in April. If you have more than one office, please do separate surveys for each location.

This survey is for the month of April only.

Please go to www.nechildrensvision.org/SchoolVisionEvaluationTracking.html to enter data for other months.
